## AT A GLANCE

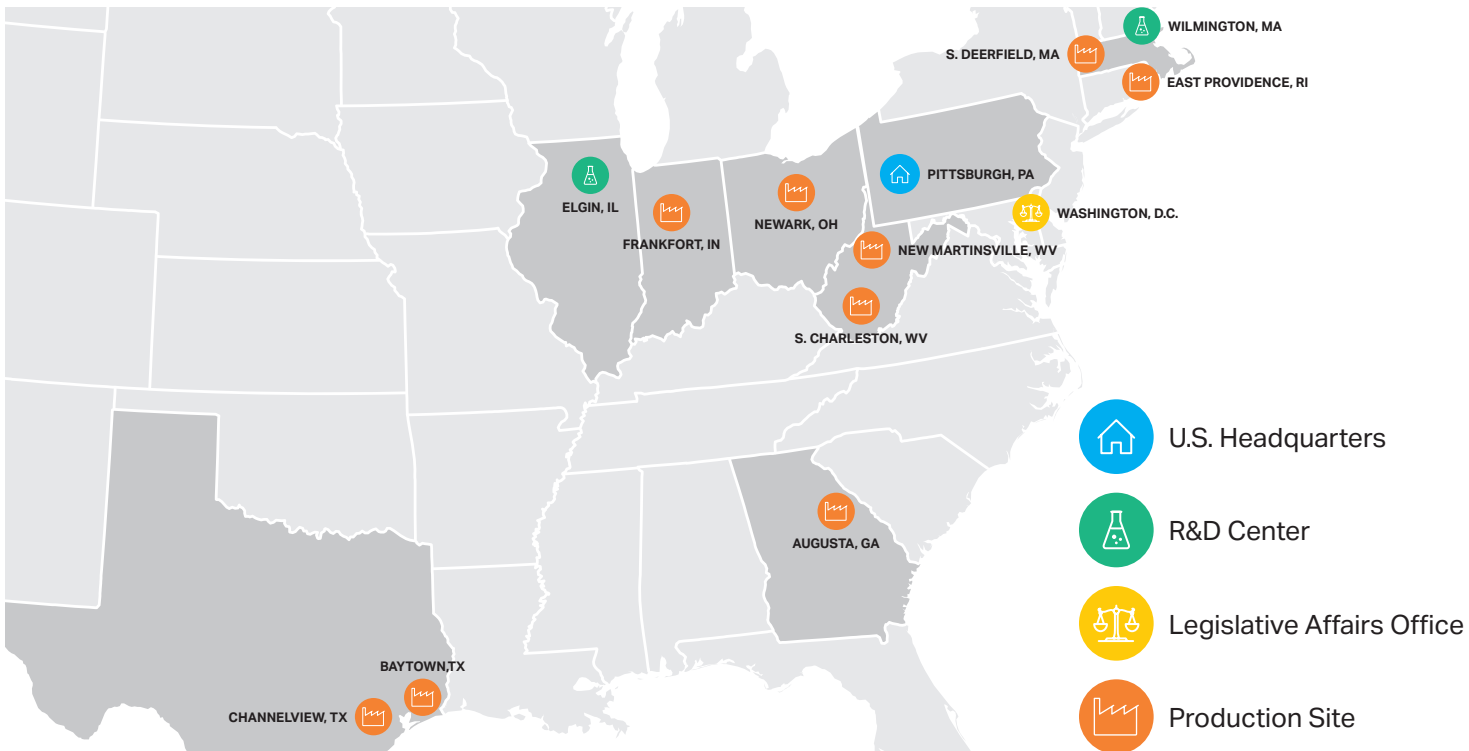

### Who we are

Covestro is a global leader in developing high-tech materials that make the world a brighter place. Our innovative solutions help make cars lighter and more fuel efficient, mattresses more comfortable, electronics better protected and homes better insulated – all while driving toward a more circular economy. Our vision? To become fully circular.

### Our products

*Did you know? You're never more than six feet away from a Covestro product!*

We produce materials that are transformed into products you use and see every day – from the adhesives holding your shoes together to the plastic casing that protects your laptop! Our diverse product portfolio spans nearly every industry, including automotive, construction, electronics, furniture, healthcare and sports.

## AUGUSTA

### Our local presence

At its Augusta, Ga., facility, Covestro produces powder coating resins for a variety of applications in the automotive, domestic appliance, heavy machinery and architectural segments. This facility is the only Covestro powder coating resins production facility in North America.

### Giving back to our communities

Our passionate employees have countless opportunities to take their talents to the communities where we live, work and play, by helping non-profits solve business challenges, raising funds for a good cause, sharing our excitement for science with the next generation, and inspiring a cleaner future.
